

# Souvik Basak

Job seeker Nowadays

I am ambitious and driven. I thrive on challenges and constantly set goals for myself, so I have something to strive towards. I'm not comfortable with settling, and I'm always looking for an opportunity to do better and achieve greatness. I have developed skills as a coder. I have learned web development and build websites, also learn Java programming language and am comfortable with JavaScript. And I am continuously learning coding day by day to achieve my goal.
